

Microsoft Office Suite

Microsoft has announced their Student Advantage program, a benefit that allows eligible students to get Office 365 from their school for free.

- 1) Start by verifying your email address.
- 2) Microsoft will send a verification to your HSU student email account.
- 3) After clicking in the email, you may be asked to give you first name, last name, make a password, and give your birthday.
- 4) At this point, you will be redirected to "Office 365" and to a page where you can download Word, Excel, or PowerPoint.
- 5) You may see a short video to get you started.
